8. CONDITIONS, WARRANTIES & EXCLUSIONS

Condition 1 — Loss Notification:

The Insured shall give written notice to Underwriters within seventy-two (72) hours of the discovery of any occurrence likely to give rise to a claim under this Policy. Failure to comply with this condition may prejudice the Insured's right to recovery hereunder.

Condition 2 — Seismic Zone IV (EQ Warranty):

It is warranted that all properties situated within USGS Seismic Zone IV shall be subject to an independent structural engineering review satisfactory to Leading Underwriters prior to attachment of coverage. Properties failing to meet current ASCE 7-22 seismic design standards shall be excluded from EQ coverage unless endorsed hereon.

Condition 3 — Flood Zone A (FL Warranty):

All properties situated within FEMA-designated Special Flood Hazard Area (SFHA) Flood Zone A or AE shall maintain primary flood coverage under the National Flood Insurance Program (NFIP) or an approved private flood carrier for the full replacement cost value. Evidence of such coverage must be provided to Underwriters upon request. Failure to maintain such primary coverage shall render FL coverage under this Policy void for the affected location(s).

Condition 4 — Schedule of Values Warranty:

The Insured warrants that the Statement of Values (SOV) provided to Underwriters is accurate, complete, and current as of the inception date. Any material change in portfolio composition exceeding 10% of aggregate TIV shall be reported to Underwriters within 30 days. Underwriters reserve the right to re-rate upon notification of material change.

Condition 5 — Basis of Coverage:

This Policy is written on an All Risks of Physical Loss or Damage basis, excluding the perils specifically excluded below. Coverage attaches only in excess of the Attachment Point (UNDCOVAMT) stated herein.

EXCLUSIONS (Standard Market Exclusions Apply):

WAR & TERRORISM:	War, invasion, acts of foreign enemy, hostilities, civil war, rebellion, revolution, military or usurped power, or confiscation by order of any government.
NUCLEAR:	Nuclear reaction, nuclear radiation or radioactive contamination, however caused; ionising radiation from or contamination by radioactivity from any nuclear fuel or nuclear waste.
CYBER:	Loss, damage, liability, cost or expense of whatsoever nature directly or indirectly caused by, contributed to by, resulting from, or arising out of or in connection with any cyber act or cyber incident.
